Use of data*

6 Yes, I agree that T-Systems International GmbH uses the data I have provided for contract processing, delivery and support for the Volkswagen CAx applications, as well as the request for the Dassault VX1 license(s) on behalf of Volkswagen via e-mail, post and telephone. The transfer of the data for these purposes takes place within the framework of the consent granted by me within T-Systems International GmbH, Telekom Deutschland GmbH, operational services GmbH & Co. KG, Volkswagen AG and Dassault Systèmes SE. I can revoke my consent at any time by e-mail to cax-consulting@t-systems.com. The information on the right of withdrawal and the privacy policy <https://www.t-systems.com/de/en/data-protection> I have noted. **

* Field required

7 Submit request

8. Registration is completed by clicking on "Send request". An assignment to the protected area has not yet taken place. You will receive a confirmation of the group assignment or a rejection as soon as possible.

When confirming, please note:

You will receive two emails, one email for activating the T-Systems Business Login and an email for the successful assignment of the account. If you already have a T-Systems Business Login you will only receive the second email mentioned.

The password can be reset with the following link: [reset Password](#)
